KUDOS from around the State...

“The TechHelp OE team’s Lean Manufacturing Simulation exercises made me a believer. Having over 20 years of production experience, I am the kind of guy that says, show me. And they did!”

Danny Hiner, *Production Manager*
Quest Aircraft Company, Sandpoint

“I am really proud of how after completing TechHelp’s Lean training, the organization embraced Lean Manufacturing and implemented a program that empowers each individual to make a difference toward the goal of process improvement.”

Edward W. Hawkins, Jr., CEO
Litehouse Foods, Sandpoint

“Thanks to TechHelp for helping us achieve an Excellent rating on our AIB Food Safety Audit”

Bill Newbry, *CEO*
PNW Food Coop, Genesee

“TechHelp’s Lean Six Sigma instructors did a great job and their industry experience was priceless. It was clear that the guys have walked in my shoes and not just read a book.”

Bud Condee, *Plant Manager*
Big Tex Trailers, Caldwell

“Taking part in the TechHelp sponsored *Export Excellence* Program was one of the best decisions we made. The support and wealth of information from coaches was priceless. Thanks!”

Tammy Langston, *Sales Manager*
In The Ditch Towing Products, Mountain Home

“TechHelp did a great job of helping us meet our goal of becoming one of the few companies in our industry to be SQF 2000 Level II Certified for food-grade ingredient manufacturing, sanitation and distribution.”

Phil Johnson, *Chairman & CEO*
BHS Specialty Chemicals, Nampa

“This was the best training I have seen for manufacturing companies. Our employees are now making significant progress in eliminating waste and improving quality and efficiency throughout the company.”

Kent Banner, *General Manager*
Spudnik Equipment Company, Blackfoot

“Without TechHelp, Rekluse and the Z-Start Clutch would not exist!”

Al Youngwerth, *Owner/Inventor/CEO*
Rekluse Motorsports, Boise

“Without TechHelp’s New Product Development Team at Boise State, the Melni Connector would still be just an idea in my head”

Mark Melni, *Inventor and Owner*
Melni Connectors, Twin Falls
